

Tarland Bee Group Winter Talks

Tarland Bee Group will again run a series of winter talks, suitable for all beekeepers.

The winter talks, apart from the event on the 6th of November, will be held in The MacRobert Hall, Tarland. All are most welcome – you don't have to be a beekeeper, or a member of TBG to attend. Admission of £3 includes tea/coffee and biscuits.

Wednesday 6th November 7.30pm: This event will be a practical demonstration of honey extraction by Colin Devine at The Bee Cabin, Dess, Aboyne, AB34 5BB. Space in the extraction room is limited so small groups will be organised on the night. The shop will be open during the evening. Refreshments will not be served at this event.

Wednesday 4th December 7.30pm: Dr Gavin Ramsay – “Swarm control”.

Wednesday 15th January 2020 7.30pm: Amy Cooper - “The Good, The Bad and The Ugly: exploring the interactions between the honey bee, the varroa mite and deformed wing virus.”.

Wednesday 26th February 2020 7.30pm: Jenni Stockan and Lina-Elvira Bäck – “Ecology of Solitary and Bumble Bees”.
