

Cromar & District Horticultural & Industrial Society

Great Tattie Challenge – Weigh-in

Saturday 22nd August Tarland Community Garden Car Park

Obviously, due to Covid-19, we cannot hold the big weigh-in as a large gathering, as originally planned. However, we hope that all you young growers out there are still up for the challenge. Your tatties should be growing well now and hopefully you are looking forward to seeing just what is under all that green growth!

DROP OFF

To allow for social distancing, we are asking you to:

- cut off the shaws (green tops) BUT LEAVE THE TATTIES UNDISTURBED IN THE SOIL
- ensure your name is attached securely to the bag
- drop off your entry at the Tarland Community Garden Car Park, on Saturday 22nd August, between 10am – noon. If others are already at the drop-off point, please wait at an appropriate distance

JUDGING

Entries will be judged and prizes awarded for:

- heaviest tattie
- heaviest total crop

COLLECTING ENTRIES AND RESULTS

- Pick up your tatties and check the results, which will be on a noticeboard, between 2pm – 4pm

There will be a member of the Horticultural Society committee on duty to help with any queries. If you need any further information before the weigh-in, please contact Liz Cooper, Tel: 013398 81010 or Jan Joseph, Tel: 013398 86185.
