

Cromar and District Horticultural and Industrial Society Amateur Garden Results 2020

An amazing day of sunshine offered the perfect opportunity for competitors to display their gardens this year. And with 'lockdown gardens' at their best, it was a fabulous array of garden design, cottage gardens, flowers, plants and veggies. Thank you to all gardeners for sharing your wonderful gardens with us! The judges were impressed by all the gardens and special 'Very Highly Commended' awards go to George Cumming, Alford, for his fine lawn and George and Evelyne Baikie for their fantastic range of cut flowers. The Society's thanks go to our judges, Stephen McCallum and Stuart Pittendreigh, from the MacRobert Trust, Douneside, Tarland
