

VOLUNTEER FORM

Tarland Paths (under the auspices of Tarland Development Group)

It is recognised that it is necessary to have a standard form to cover the position of **volunteer worker** who may help/carry out work on local paths and tracks projects from time to time.

Therefore, by signing this form I accept: (tick)

That I am a volunteer and receive no financial remuneration.	
That I take instructions from the TDG Trustee responsible for the Paths network and the Work Party Lead Member and should inform them of any relevant matters.	
That I will make no commitment or undertaking on behalf of TP without the approval of the TDG Paths Trustee.	
I am aware that I should work within my own limits of health and fitness and ensure I have access to any medication I may require. (Inform the Group Leader if you carry emergency medication e.g. epipen or if diabetic etc.) I will wear appropriate clothing for protection, suitable for nature of tasks being undertaken and weather conditions.	
That if I use any equipment, specialist or otherwise when working on local paths or tracks, then it is my responsibility to take reasonable care for my own wellbeing (by not taking any unreasonable risks) the wellbeing of other volunteers and members of the public.	
That, although TP has a public liability insurance policy under TDG, any claim for any injury suffered by me will only be covered in the event that TP or TDG has been negligent in some way.	
For contact purposes I agree to the use of my email address by TP. Should this not be acceptable I prefer such contact to be by telephone. (In which case leave the email address request blank). I understand this personal information will not be used for any other purpose than for TP matters.	
I understand that if I no longer wish to be a volunteer, I will give notice by writing and my details will be taken from the mailing list immediately.
