Amateur Garden Results 2021

After all the rain, it was a brighter day for the judges to enjoy the gardens in our 2021 Amateur Garden Competition. Even after weeks of drought, followed by heavy rain for the last few days, the gardens still managed to impress our judges. Competition in both the 'Have-a-go' and the 'Flower Garden' was very close with only a few points separating the top placings. A special 'Very Highly Commended' award goes to Bob Joseph, Aboyne, for his newly developed garden, which was noted for design suitability, plant choice and overall quality. A new 'Butterfly and Bee' Award, sponsored by George and Evelyne Baikie, to encourage us to make a special effort to help these important creatures, was awarded to Anke Addy, Coull. The Society's thanks go to our judges, Stephen McCallum and Stuart Pittendreigh, from the MacRobert Trust, Douneside, Tarland.
