Present: Matt Hare MH, Sandy Cooper SC, David Hirst DH, David Currie DC

1. Battling Butlers was a great show! But very poor attendance as usual. 7 adults, 5 under 18. It was agreed to have a break this summer and review in Autumn. We feel only Friday or Saturday are worth doing. DC to produce a box for people to drop their emails into to allow us to create a mailing list.
2. All the trustees now have a Hall key and an indoor key cupboard key.
3. SC to contact Blacklight re the stage lights not working properly. (Alan Hunter to send quote)
4. SC to setup photo frame to highlight coming events.
5. It appears the Hall lights have been cleaned but we are unsure who did it!
6. DC reported that we have a quote for the men's toilet wall and the slater will put in a quote shortly. DC to ask GR to move radiator while the wall is being repaired.
7. The film club looks to be starting up, the trustees agreed it would be run under TWT.
8. We now order up cleaning supplies for the TT2. It was agreed to ensure that they were ordered separately and billed separately with TT2 costs going to TDG.
9. It was agreed to ask Gordon for a quote to fit a generator input, grants available for this, DC to chase.
10. We should book a Ceilidh band for Hogmanay as soon as possible!
11. AGM to be in September, date TBC

Next Meeting: Thursday 8pm Upper Hall
