Trail maintenance carried out on 12thNov. Car park repairs carried out. Further cattle escape but no trail damage. Glenmore lodge(National Outdoor Centre) held a coaches day at the trails. First Event of the year - 2nd jan - New Coaching Company. Lots of snow on the trails reducing numbers. Storm Gerrit - several areas of trees down - management plan worked well and quickly re-opened. CRC return for trail build in March. Order of meetings about future trail building ideas. Steering group to meet. Then meet MRT then seperate TDG trails meeting.

6. Cromar Food Waste Project

The food project continues as usual without incident. Our numbers are between 50 and 70 across the two days (Tarland & Logie Coldstone) each fortnight. We have now used up the funding that came from MAP for buying in extra food, and now are using an award of £450 from MacRobert Trust which will see us up to the end of March. We have let our customers know that we will be returning to monthly pop ups from April onwards as spring and summer are less busy, and with the possibility to up the frequency again next winter. This will give us time to do some

the hall. January saw 72 people along to the hall, enjoying new sets to build and participating in a tower building challenge. A total of £1138.45 was raised by Duncan and Calum Lockerbie with their running efforts in 2023 - a massive thank you to them both and all who donated money to the cause. The Lego inventory continues but pace slowed over the festive period. Around 1/3 of all sets have been checked so far and more will be distributed to volunteers soon. Lego club steering group has teenagers on it. Do we need permissions, anything else etc to have a WhatsApp group chat with them, and to hold meetings? Re-register of PVG scheme - Hayleigh and Duncan to get PVG.
